**THEME: "Recent Advances on Intelligent Technology Innovation"**

## About Taichung

The attractiveness of Taichung originates in its abundant ecosystems, the ancient glamour of history, and incredible arts and literature. While endeavoring to achieve modernization as well as remember the past, Taichung strives to meet the international standards to be globally well-known as well. For example, National Taichung Theater, most visited locations on Instagram, nicknamed "the Most Difficult House to Accomplish" by the industry, was designed by the internationally acclaimed Japanese architect, Toyo Ito. Come and explore the images of streams and hanging gardens on the exterior of the opera house break the usual binary separation between stage and audience.
