

TENURE-TRACK FACULTY POSITIONS AT DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING, NATIONAL SUN YAT-SEN UNIVERSITY, TAIWAN

The Department of Computer Science and Engineering at National Sun Yat-sen University invites applications for tenure-track positions from February, 2023. Applicants in all areas of Computer Science and Engineering are sought, especially in the fields of Information Security such as IoT Security, Communication Security, Cloud Security, Privacy-Preserving Techniques, Confidential Computing, AI Security, and Advanced Cryptography.

Applicants for assistant professorship must demonstrate strong research potential, in addition to good teaching ability. Applicants for associate professorship and professorship must have an exceptional record of research achievement. All successful candidates are expected to conduct both research and teaching activities. The official language used in class is Chinese, and English as a medium of instruction is required by the university. The department offers BS, MS and Ph.D. degrees in Computer Science and Engineering, and MS and Ph.D. degrees in Information Security.

NSYSU has faculty merit pay system, for instance, new faculty award, special outstanding and talented faculty award and other subsidies. For more information, please visit the website: https://law.nsysu.edu.tw/rule/dep_lis?dep=20190814112920005&p=g
In addition to that, if you wish to know our department more, please visit our website: <https://cse.nsysu.edu.tw/index.php?Lang=en>

Applications should include a curriculum vita, recent publications, and reference letters from at least three people who can comment on the applicant's professional qualification. Other supporting material is welcome. Applications should be sent to:
