**THEME: " Recent Advances on Technology Innovation and Applications "**

#### About Hualien

Hualien is the meeting point of the Central Cross-Island Highway, Suao-Hualien Highway, and highways leading south to Taitung. Hualien County is Taiwan's biggest county and is home to several world-class scenic attractions. The county borders the Pacific Ocean to the east and is hemmed in by the Central Range to the west. With its towering peaks, azure skies, vast seas, scenic valleys, cultural diversity, and friendly kindhearted people, Hualien has become one of Taiwan's first-choice travel destinations for local and international visitors. Visitors to the county can enjoy the impressive gorges at Taroko National Park, the magnificence of Yushan National Park, the stunning natural landscapes of the East Coast National Scenic Area, and the rustic charms of the East Rift Valley National Scenic Area. Wherever you go in Hualien, nature is there to greet you.
